

TRK

The Rinieri TRK is a robust machine for clearing forest trees and prunings up to 6". It can shred whole trees and clear under-brush by means of a large rotor and heavy hammers. The TRK can work in both directions.

3.85 lbs

6"

MODEL	# of Hammers	Work Width	Engine HP	Weight
TRK 150	12	60"	80-100 HP	1896 lbs
TRK 175	14	69"	90-110 HP	2050 lbs
TRK 200	16	79"	100-130 HP	2205 lbs

TRM-R

The TRM-R is ideal for large hectares and wide spaces. Its sharp tools perform a clean and even mowing. The cut grass is collected in the tank that has a hydraulic discharge opening.

MODEL	# of Hammers	Work Width	Engine HP	Weight
TRM-R 130	20	52"	20-30 HP	840 lbs
TRM-R 150	24	67"	25-40HP	900 lbs
