

The 001R series is a lightweight spader with reduced dimensions that can be combined with small tractors, perfect for working in greenhouse, vegetable gardens and between vineyard rows.

The angle of penetration of the small blades is adjustable and allows the equipment to perform in a variety of situations.

Standard Equipment

- CE Safety Device
- 3 Point Linkage
- Leveling Cover

Optional Equipment

- Rubber bands for rear leveling bar
- Transfer Wheels
- Cardan Joint

Model	Max Width	Work Width	HP (min/max)	Working Depth	# of Spades	Weight
001R-60	27"	25"	12/18	6"	4	227 lbs
001R-90	38"	36"	14/18	6"	6	278 lbs
001R-115	47"	45"	14/18	6"	8	344 lbs
